TERMS OF SALE

1. This sale is an unreserved Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to KATEN SALES can attest to this statement.
2. Prices given following lots are estimates of today's market, and only intended as a guide. You may bid higher or lower as you wish.
3. Auction Sales are not approval sales. By submitting your bids you agree to the Terms of Sales herewith set forth. No lot may be returned without written permission, and request must be made within three days after receipt of books.
4. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of mailing and insurance will be made, plus a flat \$1.00 handling fee per order for packing and processing. This applies only to books. (Other cataloguers charge 50¢ per lot)
5. Bidders unknown to us must furnish references two weeks before the sale date or send a deposit equal to 25% of their bids. Bids will not be executed unless this is followed.
6. Sales are strictly for cash in U. S. Funds (unless other arrangements have been made). Payment must be made immediately upon receipt of notification or delivery.
7. All books are as described. The actual title in a foreign language is given - the cataloguer interprets the title and is in parenthesis.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 20 years ago for your protection.
9. Please allow at least three weeks for delivery of lots as this sale of such great magnitude requires much time for careful checking and packing.
10. A list of PRICES REALIZED will be published about two weeks after the sale. By Marking your bid sheet or ordering before the sale date, the price is \$2.00. This catalogue and price list could prove to be a worthwhile bibliography of numismatic books at today's market.
11. Lots delivered in the State of Maryland are subject to 4% Sales Tax, and will be added to the invoice.

FOREWORD

We are pleased in being able to offer in this catalogue Part Two of Mr. Nathan N. Eglit's extensive Numismatic Library. Eglit's biography and his many numismatic honors were noted in our Sale No. 33, held May 23-24, 1969.

Included in this sale may be found portions and duplicates from such renowned collectors and numismatic authors as Dr. George Fuld, Mr. Lester Merkin, Mr. Frederick Knobloch and Mr. Floyd B. Newell, among others.

Mr. Floyd B. Newell may be remembered by his extensive library auctioned by us October 18-19, 1968. This sale was the largest sale ever held in the world featuring only Numismatic books and literature. It contained over 3325 lots.

This current sale, No. 34 almost equals the depth of Mr. Newell's 1968 sale. It contains well over 3245 lots and covers the complete range of numismatic books, periodicals, auction catalogs and dealers' fixed price lists.

Check the easy finding index -- and you may be fairly certain of finding the book or literature that you have been looking for...

and lastly - send your bids in early - the mails being what they are today.

Thank you - and good bidding.

FRANK and LAURESE KATEN

AUCTION CATALOGUES

The following group of 19th century auction catalogues are rare and desirable. They provide the researcher with information not obtainable elsewhere. This grouping had been bound indiscriminately. They have now been separated with the resulting ragged backbone. A true collector and bibliophile will of course, bind them in sequence. Contents of these catalogues are excellent.

PERIODICALS

774	AMERICAN NUMISMATIST, THE. Vol. 1, No. 2. Oct. 1886. (Editor C. E. Leal, in his editorial says, "All the Philatelic journals are filled with accounts of the formation of the American Philatelic Association, which appears to be proving a great success. An Association of the same sort for Numismatists would be very instructive and useful for our young collectors, and there is no reason why it should not prove equally successful".	25.00

1969 NIXON INAUGURAL MEDAL

ORDER NOW

ONLY 3 IN STOCK

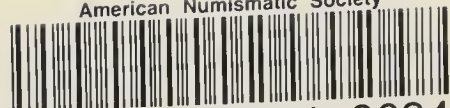

The Richard M. Nixon Inaugural Medal is the work of Ralph J. Menconi, who has created scores of medallion works including the Apollo XI, XII, XIII medals. An informal touch was added by using the crewell pattern embroidered by Julie Nixon for her father before the election. It includes her inscription "To RN--JN."

The 15,000 serially numbered silver medals have long been sold out. We were fortunately able to obtain a small quantity, but as this catalogue goes to press, we have three copies left. These three have low numbers, in the 1500s and 1600s. Recent sales have been at \$100.00. OUR PRICE. \$80.00.
